

Oil disposal

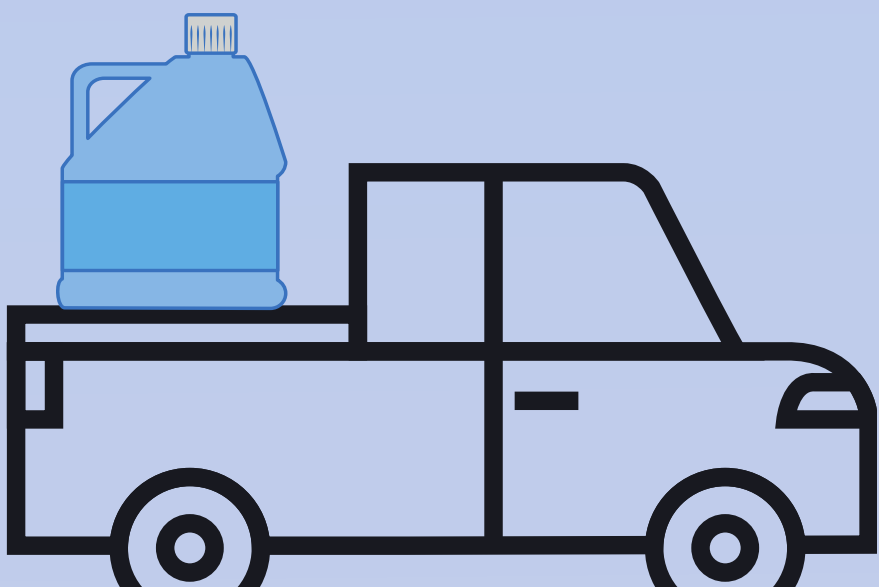

*Household cooking oil disposal
through the MDC's Household
Hazardous Waste Collection
Program*

*Each summer and fall the MDC offers residents hazardous waste disposal services, including **cooking oil disposal**.*

*Properly disposing of cooking oil is essential in preventing **blocked pipes** and **environmental damage**.*

Swipe for collection dates and locations!

Open to residents of these towns:

Bloomfield • Rocky Hill • East Granby • West Hartford • East Hartford • Wethersfield • Hartford • Windsor • Newington • Windsor Locks

Used cooking oil is accepted from 8am to 1pm at these dates and locations:

May 1, 2021 @ the Newington Town Garage (281 Milk Lane)

September 25, 2021 @ the Bloomfield Public Works Building (21 Southwood Drive)

*October 23, 2021 @ the Windsor Locks Works Garage (6 Stanton Road) *this date is only open to Windsor Locks residents*

Remember when dropping off:

Oil must be brought in a rigid plastic container (no larger than 5-gallon) with a screw top lid.

Stay in your vehicle while waste is removed!
